

# ELDEN RING

## Travelers Guide

## Game Trailer

Initial Release Date: 02/25/2022

Rated M, ages 17+

The world of Elden Ring is a massive open-world role-playing game, that can be very unforgiving. However, are rich full of content and massive landscapes to explore.

FromSoftware was the developer of this game and Bandai Namco Entertainment was the publisher. These companies were helped by the author George R. R. Martin, to write the story and lore for the video game.

The game has become one that has radiated waves in the video game industry. It has garnered nothing but praise from the fans, Steam currently has 300,000 plus reviews that are "Very Positive."

## The Tarnished

The Tarnished is what the player's character is. There are ten playable class types. Each has pros and cons and will determine how the player completes tasks in-game.

## Enemies

The enemies are vast in variety and danger as well. Beginners are weary of traveling the lands, sanctuary is not in abundance.

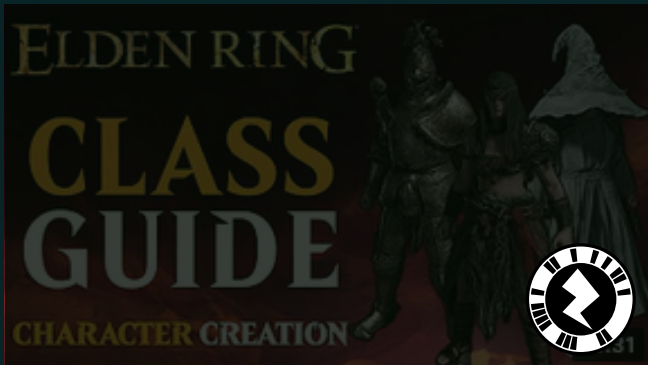

Welcome to The Lands Between, you are Tarnished. Once an exiled because you lost your Grace granted to you by the Erd Tree.

This world is unforgiving, after the Elden Rings shattering it has been wrought with chaos. With this, the Tarnished has been called back to recover the shards of the ring. To make them one, to form the Elden Ring and become Elden Lord.

# Class Guide

This video is the ultimate guide on how classes work in Elden Ring. Choose wisely, this decision will affect how you will interact with enemies and the world.
